

PKF TR Upadhyia & Co. announces the admission of a new partner

PKF T R Upadhyia & Co is pleased to announce the admission of Ms. Nikita Agrawal as a new partner in the firm.

Nikita has extensive experience in the assurance and advisory services of development sector and large corporate houses. Her client portfolio includes entities from various industries such as international not for profit organizations, donor agencies, national level not for profit organizations, large entities in leisure, construction and professional service firms.

As partner, Nikita will be leading development sector and the risk management practice in helping clients in Nepal, realize tangible value from their investments.

Nikita holds a post graduate degree in economics and is a Member of the Institute of Chartered Accountants of Nepal.

Nikita will be the second female partner in the firm which is a demonstration of continued progress in its strategic priorities of developing the next generation leaders and a commitment to accelerating gender diversity and transformation at leadership level. This development strengthens even more the dynamic and leading position of PKF T R Upadhyia & Co. in Nepal.
