## Nepal Budget Statement FY 2022-23 Highlights

On Sunday, 29 May 2022, Honorable Finance Minister, Mr Janardhan Sharma (Prabhakar) presented the full budget for the fiscal year 2079-80 (2022-23). The allocation of resources, priorities and significant policy statement of the budget is highlighted in this document.

### 1. Source and allocation of budget

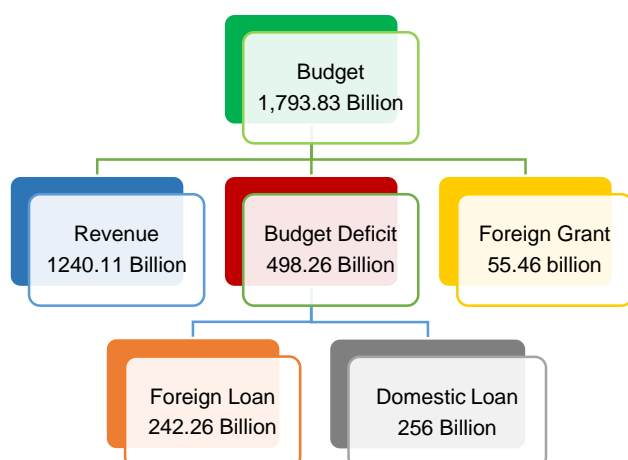

#### Allocation of Budget

#### Budget Outlay

#### Source of Financing

#### Budget Source

### 2. Background of budget

- The Budget for 2079-80 is considered as transit from import towards production, towards collective financial stability from risks and towards inclusion from taboo.
- The budget aims to meet the necessity to build the foundation for a socialist-oriented economy that has been directed by the constitution of Nepal.
- Addressing the aspirations of all the citizens including people below the poverty line, deprived/discriminated class of people for the development and prosperity.
- Performing financial and development activities for immediate economic resurrection and work for socio-economic development of Nepali citizens through the revival of the constitutional process.

### 3. Objectives of budget

- To achieve higher and sustainable financial growth through the development of production based economy.
- Employment creation and poverty alleviation through integrated mobilization of available resources, manpower, capital and technology.
- To achieve the goal of overall financial stability through maintenance of financial discipline and inflation within the limit.
- To establish federalism as a conductor of prosperity by transferring resources at the state and local levels.
- To build the foundation of a balanced, inclusive, self-reliant and socialist-oriented economy through economic and social transformation.

### 4. Budget Priorities

- Transformation in the agricultural sector.
- Enhancement of production and productivity, create employment and alleviate poverty in collaboration with government, private and cooperative sectors.
- Local economic development based on innovations.
- Human resource development.
- Capital formation and infrastructural development.
- Hydropower generation, transmission line expansion and rural electrification.
- Industrial development, investment promotion and revitalization of the tourism sector.

- Environmental protection, disaster management and risk mitigation of climate change.
- Effective public service & promotion of good governance and periodic elections.
- Scientific Research and Development.

## 5. Budget allocation to provincial and local governments

- Based on a method determined by the National Natural Resources and Fiscal Commission, equitable grant of Rs 61.43 billion and Rs 100.23 billion is allocated to provincial and local governments, respectively.
- Conditional grants of Rs 57.17 billion and Rs 183.72 billion are to be provided to provincial and local governments, respectively.
- For the implementation of infrastructural projects, supplementary grants of Rs 6.30 billion and Rs 7.27 billion are to be provided to provincial and local governments, respectively. Accordingly, a special grant of Rs 4.56 billion and a parallel grant of Rs 9.14 billion are allocated to provincial and local governments, respectively.
- Rs 163.03 billion is estimated to be transferred to provincial and local governments for revenue distribution.

## 6. Objectives of revenue policy and program for FY 2022-23

The objectives of the revenue policy and program are to be achieved by formulation of policy to increase the share of internal revenue and expansion of the scope of revenue by gradually changing the structure of import based revenue sources.

Revenue shall be mobilized in a manner to meet the requirement of the fulfillment of the demand of increasing public expense and develop a reliable & appropriate tax system and achieve the below mentioned objectives:

- Development of a progressive, self-sufficient and strong economy through stable and effective revenue mobilization.
- Encouragement to the domestic industries.
- Expansion of the scope of tax while protecting the tax and minimization of revenue leakage.
- Improvisation in the revenue system by making it progressive, simple, transparent and predictable.
- Encouragement of participation in taxation through the development of entrepreneurial, healthy and taxpayer friendly tax administrations.
- Development of IT friendly revenue administration system.

## 7. Relief package for COVID-19 impact

Relief measures brought by the government as a result of the COVID-19 impact are mentioned hereunder:

- Tax rebates on applicable tax rates/presumptive tax amount based on the annual turnover of small taxpayers for FY 2021-22 considering the impact of COVID-19 on business are tabulated below:

Annual Turnover	Tax Rebates on applicable tax
<b>a. Up to Rs 3 million</b> (natural person taxpayers having annual turnover up to Rs. 3 million and Taxable Income up to Rs. 0.3 million covered u/s 4(4))	75%
<b>b. Rs 3 million - 10 million</b> (natural person taxpayers whom turnover based tax is applicable u/s 4(4Ka))	50%

- 50 % rebate on applicable tax for FY 2021-22 shall be provided to residents for the income derived from the business related to hotel, travel, trekking, film industry, party palace, media house or transportation and having turnover more than Rs 10 million.

## 8. Tax incentives for the establishment of Vaccine and Liquid Oxygen Industries

- The Customs, Excise and VAT for the FY 2022-23 (2079/80) shall be exempted on the import of machinery equipment required for the establishment of Vaccine Industry under an approved scheme.
- The Customs, Excise and VAT for the FY 2022-23 (2079/80) shall be exempted on the import of machinery equipment under HS code 8421.39.10 required for the establishment of the Liquid Oxygen Industry.

## 9. Major changes and improvements in the tax system

### Income Tax

- Revision in the slab for the calculation of tax on remuneration income of a resident natural person. Applicable tax rates on the income of a resident individual in any income year shall be as tabulated below:

Taxable Income (in Rs)		Applicable Tax Rates
Single	Couple	
Up to 500,000	Up to 600,000	1%*
Next 200,000	Next 200,000	10%
Next 300,000	Next 300,000	20%
Next 1,000,000	Next 900,000	30%
Above 2,000,000	Above 2,000,000	36%

\* This is the Social Security Tax to be deposited in a separate revenue account (11211) provided for this purpose. However, taxpayer registered as a sole proprietorship or on pension income or on income from contribution based pension fund shall not attract social security tax i.e. 1%. And if the taxpayer is depositing the amount in the Social Security Fund (SSF) then for those taxpayers Social Security Tax is not applicable

- Applicable tax rates on the gain on disposal of Non-Business Chargeable assets (Land And Building) have been amended as follows:

Period of Ownership	Applicable Tax Rate	
	Existing	Amended (FY 2022-23)
Less than 5 years	5%	7.5%
5 years or more	2.5%	5%

- Limit for deductible Insurance Premium in respect of investment insurance for resident individuals has been increased from Rs 25,000 to Rs 40,000.
- Resident natural person having only income as per subsection 6(Kha), 6(Ga), 6(Gha) of section 95 (ka) shall not be required to file an income tax return.
- 1% tax is to be levied on the income earned by resident individual in foreign currency by providing services based on software programming, cloud computing, electronic services, business process outsourcing or similar information technology related services outside Nepal. A new section 1 (4(Ka)) has been inserted in Schedule 1 of Income Tax Act to cover the above provision.
- When considering a change in control as per section 57, the word "shareholder" has been replaced with the word "shareholder or partner."
- "Cash payment" under section 21 shall further exclude payment made through a digital wallet approved by NRB.
- Revision in the applicable tax rate on transactions, except exempt transactions of Co-operatives registered under Co-operatives Act, 2074 as follows:

Operational Area	Applicable Tax Rates	
	Existing	From FY 2022-23
Municipality Level	5%	7.5%
Sub-Metropolitan Level	7%	10%
Metropolitan Level	10%	15%
